

991 93

Up To 12,000 Sq. Feet

Optima Plus: For as big as this unit is, it is extremely quiet. It features a Teflon* Coated Self Cleaning HEPA Filter made with Dupont Teflon* & is equipped with a unit status indicator and bears better warranty. The Optima Plus is a "hierarchy of its own".

* TEFLON is a registered Trademark of E.I. du Pont de Nemours company and is used under license by APC Filtration, INC.
