

COMMERCIAL VACUUM BAGS FROM MVP!!!

MVP proudly features **Enviro-Max** brand vacuum bags! Our goal is to always look for ways to improve on our offering, and once again we have come through! **Enviro-Max** bags use a special micro-lined media, making it 99.7% efficient down to 5 microns, even capturing particles as small as .1 micron. This makes them ideal for customers that are interested in a quality bag. Just compare **Enviro-Max** bags to your present bag and you will be able to see a difference. These are commercial grade, anti-microbial filter bags designed for some of the most popular equipment in the market today.

We know you will be proud to sell these bags to your most demanding customers. Individual packages are available, most containing ten bags each, although case (containing ten packages of ten) and multiple case quantity discounts are available. We are bringing in bags for even more machines based on your requests. If a part number or machine model you frequently sell is not listed above, make sure to call **MVP** and we'll work to add it to our line!

As always, **MVP** tries to make it as easy as possible to increase your profits with other benefits like:

- + No minimum order amount required! You can order one pack or as many cases as you need!
- + Same day shipping on all in-stock orders up to 5pm est
- + Free freight on all orders of 20 cases or more – mix and match numbers to get to 20 cases!
- + Order by phone, fax or over the internet on www.mor-value.com
- + Referrals program to help bring business to **MVP** distributors
- + Parts look-up assistance
- + High quality – Guaranteed!
- + Best of all, **Enviro-Max** brand bags are available exclusively through **MVP**, someone you trust.
